ETZ CHAIM of TEANECK MEMBERSHIP AGREEMENT

I/We agree to pay all dues, Building Fund requirements, and other amounts that may be assessed by the members of Etz Chaim of Teaneck.

Enclosed is my/our initial payment of:

membership dues in the amount of \$ _____

and Building Fund Commitment in the amount of\$ _____

The total Building Fund Commitment of \$5,000 is payable upon submission of an application for full membership. However, members have several additional options in meeting this commitment, including deferral until the primary household wage earner is 30 years old. Please check the box below for the payment option that best suits your ability and circumstance. If you have already met your requirement, please indicate so below.

PLEASE CHECK BOX A, B, C, D, E, or F:

A. I/We have already met the Building Fund requirement.

I/We agree to pay the entire Building Fund Commitment in:

B. One full payment (I/We enclose \$5,000.)

C. Two annual installments (I/We enclose \$2,500 and will pay \$2,500 in the following fiscal year.)

D. Five annual installments (I/We enclose \$1,000 and will pay \$1,000 in each following fiscal year.)

Each annual installment is due by September 30 (the fiscal year-end).

E. I/We request deferral of the Building Fund Commitment because the primary household wage earner is less than 30 years of age. I/We understand that the Building Fund Commitment will become payable, through one of the options above, when the primary household wage earner becomes 30 years of age.

F. I/We have special circumstances and wish to discuss other possible options for satisfying the Building Fund Commitment. Please contact me/us.

Etz Chaim of Teaneck understands that a member may choose at any time to join a different organization. In such an event, a member will not be required to fulfill the remaining Building Fund Commitment. Any amounts already paid, however, are not refundable.
